Hello, my name is [your name] and I live in [your town, your state]. I'm calling today to express my support for ending marijuana prohibition.

I've seen in the news recently that we could save between \$10 and \$41 billion every year by taxing and regulation marijuana like alcohol. Doing so would also cut out 60% to 70% of the money currently funding Mexican drug cartels. Our law enforcement resources would be better spent pursuing violent criminals, not going after marijuana users.

[Pause. Allow the congressional staffer an opportunity to state the office's opinion or ask for more information about you.]

If possible, I'd like to receive a written response with my representative's position on this issue. My address is [your address].

Thank you for your time.
