

New Hampshire: Tell Gov. Sununu it's time for the "Live Free or Die" state to end marijuana prohibition!

Please call Gov. Chris Sununu and tell him his 'drug czar' is wrong to oppose legalization!

The number for Gov. Sununu's office is **603-271-2121**. Your call may be answered by a staff member, or it may go to voicemail so you can leave a brief message. Please be polite, concise, and respectful, and always remember, we are trying to persuade the governor, not alienate him.

Thank you for helping to make history!

Call script:

Hello, my name is _____, and I live in _____. I'm calling to express my frustration with "Drug Czar" David Mara's uninformed comments on marijuana policy reform. It's time for Gov. Sununu to stop allowing Mara and other police chiefs to stand in the way of progress on this issue. Thank you for your time.

Additional talking points:

- More than two-thirds of the people in our state recognize that the war on marijuana is a failed public policy, and we are ready to see New Hampshire join all three neighboring states and Canada in moving forward with legalization.
- The Governor's Advisor for Addiction and Behavioral Health should be a health expert, not a former police chief.
