Call script:

Hello, my name is _____, and I live in _____. I'm calling to encourage Governor Sununu to support allowing adults to possess and cultivate cannabis for personal use. Cannabis is legal in all four neighboring jurisdictions, and Granite Staters overwhelmingly believe that the "Live Free or Die" State should not be an island of prohibition. It's time to put New Hampshire's cannabis laws in line with the laws in neighboring states. Thank you for your time.
